Interruption of Alcoa Water Service

The City of Alcoa will be making connections to a new waterline in the City of Rockford from May 14 to May 16, weather permitting.

The City of Alcoa will be making connections to a new waterline in the City of Rockford from May 14 to May 16, weather permitting. The area affected will include all of Littlebrook Subdivision and Old Knoxville Highway from South Littlebrook Circle to Co-op Road. During this period, customers in this area will experience a disruption in water service during daytime hours. We apologize for any inconvenience this may cause. Questions should be directed to the City of Alcoa Public Works & Engineering office at 380-4800.
