

# Substations & Service Area

Substations house equipment that reduces high voltage electricity so it can be used by residential and commercial customers safely. Serving over 26,000 customers, Alcoa Electric maintains five main substations to ensure proper operating voltage to bring you reliable and affordable power each day.

<b>Substations</b> :	<b>Communities Served:</b>
<b>Chandler</b>	Bear Hollow, Topside Road, Alcoa Highway, Mentor
<b>Proffitt Springs</b>	Alnwick, Louisville, Wal-Mart, Airport, West Hunt
<b>Duncan</b>	Overlook, Filter Plant, McArthur Road, Louisville Road, Airport, Springbrook, Payne Avenue, Lakemont
<b>Wildwood</b>	Heritage, Walland/Laurel Valley, Cold Springs, Ellejoy, 411 Highway, Yankee Hill, Wildwood
<b>Blockhouse</b>	Hubbard, Forrest Hill, Old Piney, Blockhouse, Chilhowee

For questions about substations and service areas, please call AED at (865) 380-4890.
