The undersigned hereby makes application for utility service at the above address and agrees to pay for said services as measured by the utility's meter according to rate applicable. The applicant agrees to permit authorized agents of the utility free access to the premises of the consumer for the purpose of inspecting, reading, repairing, or removing property of utility. The utility shall have the right, but shall not be obligated, to inspect any installation before utility service is introduced, or at any later time, and reserves the right to reject any wiring or appliances not in accordance with the utility's requirements and accepted modern standards as exemplified by the requirements of the National Electric Safety Code, and the National Electric Code, but such inspection or failure to inspect or reject shall not be regarded as an insurance against defects in installation, or appliances and shall not render utility liable or responsible for any loss or damage, resulting from defects in the installation, wiring or appliances, or from violation of the utility's Rules and Regulations, or from accidents which may occur upon customer's premises. The applicant agrees that this application is subject to the utility's Rules and Regulations, now in force or hereafter adopted by the utility and that these Rules and Regulations are a part of this agreement.

****You will be contacted once the application has been received with instructions to complete this process.****
